

ANGELS AMONG THE STARS

CO-COORDINATORS:

MAYE EDWARDS AND ELLIE GRACE STEVENS

We help mentor the girls from **AngelStreet** while building memorable friendships. We also help with their concerts and events--from blowing up balloons, to serving dinner, to working the merchandise table.

(We don't sing--we just support the ministry of AngelStreet.)

BLESSING BLANKETS!

what we do

What we do in this club will be making baby blankets by hand. We will also write little notes to the mothers receiving them. It's surprisingly easy and really fun.

faith components

We will be donating these blankets to Life Choices of Memphis. This organization provides for struggling mothers who have chosen to give birth to their babies. We will have the blankets blessed by a priest for the well-being of the mother and child.

BOOK CLUB

Book Club works to provide a welcoming space for students who love to read. We meet about every two months to discuss a book that is chosen by the group. The books are ordered by the library, so there is a \$10 to \$20 cost per book you read.

You are not required to read any books you do not want to read. There is no cost to join the club.
